W.P. No.181-2020

Shah Faisal

Vs.

Federation of Pakistan etc.

S. No. of order/ proceedings	Date of order/ Proceedings	Order with signature of Judge and that of parties or counsel where necessary.
------------------------------------	----------------------------------	----------------------------------------------------------------------------------

22.01.2020	Mr. Muhammad Naeem Khan, Advocate for petitioner.
------------	---------------------------------------------------

The petitioner, in the instant petition, seeks a direction to the respondents for issuing him the Roll No. slip for LLB Part-II Examination.

2. Learned counsel for the petitioner, *inter alia*, contended that petitioner is a student of respondent No.3 College, which is affiliated with respondent No.2. It was submitted that petitioner fulfills the criteria, however, respondents Nos.2 & 3 are not issuing him the Roll No slip.

3. Arguments advanced by learned counsels for the parties have been heard and the documents, placed on record, examined with their able assistance.

4. Respondent No.3 is affiliated with respondent No.2. In this behalf, it is observed that Gomal University, Dera Ismail Khan is situated outside territorial jurisdiction of this Court and no order can be passed against it under Article 199 of the Constitution.

5. Respondent No.3 is a College in private sector imparting legal education. The referred entity does not qualify to be a person,

province or a local authority within the meaning of the words as provided in Article 199 of the Constitution. Respondent No.1, as such, has no role in the matter of issuance of Roll No. slip to the students of any College in private sector.

6. Similarly, the arrangement of respondent No.3 imparting legal education under the affiliation of respondent No.2 is *prima facie* against the law laid down by the Hon'ble Supreme Court of Pakistan in case reported as 'Pakistan Bar Council through Chairman and others Vs. Federal Government through Establishment Division and others' (2019 SCMR 389).

7. In view of above, instant petition is not maintainable and is accordingly dismissed in limine.
