Ms. Zareen Kanwal, Advocate for appellant.

As per Office objection at Serial No. 15, uncertified dim copies of different pages are to be replaced.

Learned counsel contends that she has appended the entire certified record of the criminal case as well as of the learned Trial Court and has also appended other documents to demonstrate the controversy on the basis of which appellant has been involved and convicted in this case.

Be that as it may, office objection is over-ruled for the time being. Office is directed to number the criminal appeal and fix before the Court. Record of the learned Trial Court be also requisitioned.
