and others

S. No. of order/ proceedings	Date of order/ Proceedings	Order with signature of Judge and that of parties or counsel where necessary.
	10.08.2021.	Ms. Nazma Parveen, advocate for the petitioner.

The instant writ petition is primarily filed due to the non-release of the petitioner's seized goods on account of the non-production of a drug license.

On 04.06.2021, the Ministry of National Health Services, Regulations and Coordination has issued a notification in exercise of the powers under Rule 63(3) of the Medical Devices Rules, 2017, due to which, the requirement for furnishing of a drug sale license issued by the Provincial Government has been dispensed with.

Since the requirement in the Rules for the production of a drug license has already been dispensed with, it is expected that the said notification would be taken into consideration by the authorities while deciding the petitioner's application for the release of goods.

Disposed of in the above terms.
