The grievance of the petitioners is with respect to Margalla Avenue (Northern Bypass, Phase II) Project on account of the fact that requisite permission and certificate from the Environmental Protection Agency has not been obtained, whereas the stance of the Capital Development Authority is that the referred project has not yet been started and the needful shall be done before commencement of the same. In this behalf, the learned counsel for the parties assisted the Court, however, it is felt that further clarifications are required in the matter.

2. Re-list after intimation to the learned counsel for the parties.
