

Protection Act are given effect and functional Child Protection Institutions are put in place. And that services of child psychologists, psychiatrists and other required professionals are made available at such Child Protection Institutions, which resources can also used by Family Courts while making guardianship decisions.

7. Till such time that Child Protection Institutions are rendered functional and services of experts are made available at such Child Protection Institutions, the Chief Commissioner in his capacity as provincial government for purposes of Islamabad Capital Territory will put together a panel of duly qualified professional psychologists and psychiatrists who may be consulted by Family Courts seized of guardianship matters and the Chief Commissioner, ICT, will ensure that such professionals are compensated for the services that they provide to Family Courts in assessing needs of the children subject to guardianship decisions. The Chief Commissioner shall put together such panel within a period of sixty (60) days from the receipt of this judgment and details of how the services of experts may be used by Family Courts shall be shared by the Chief Commissioner, ICT with the Registrar
