| Date of Hearing: | 26.09.2019 |
| Petitioner by: | Mir Afzal Malik, Advocate |
| Respondent by: | Malik Muhammad Iqbal Khan, Advocate |

MIANGUL HASSAN AURANGZEB, J:- Through the instant civil revision petition, the petitioner, Federal Board of Intermediate and Secondary Education, Islamabad, impugns the judgment and decree dated 29.04.2017, passed by the Court of the learned Incharge District Judge (West), Islamabad, whereby the former's appeal against the judgment and decree dated 17.01.2017, passed by the Court of the learned Civil Judge, was dismissed. Vide the said judgment and decree dated 17.01.2017, the learned Civil Court decreed the respondent's suit for declaration and rectification of the date of birth in his matriculation certificate.

2. Learned counsel for the petitioner drew the attention of the Court to the respondent's admission form (Exh.D/1) for the Secondary School Examination and submitted that in the said application form, the respondent had entered 04.01.1998 as his date of birth; that the said admission form contained the respondent's affidavit deposing therein that the entries made in the said admission form were correct; that the said admission form had also been signed by the respondent's father/guardian; that the said admission form had also been signed and stamped by the Principal of the respondent's college (Army Public College, Malir Cantt. Karachi); that the said admission form was exhibited before the learned Trial Court; and that the respondent could not take a position contrary to the one taken by him in the said admission form.

3. Learned counsel for the petitioner further submitted that an undated birth certificate (Exh.P/2) had been produced by the

respondent; that the said certificate does not mention that date on which it was issued; that the said certificate could not have been issued by the Principal, A.M.S. Kala (Swabi); that the said certificate has not been issued by the relevant Union Council; that Exh.P/3 issued by N.A.D.R.A. could not have been relied upon as it was issued on 08.04.2015; that the respondent did not produce the Registrar of Births in order to prove that his correct date of birth was 24.09.1999; that no witness was produced from the respondent's college/school in order to testify that the respondent's correct date of birth was not 04.01.1998; and that the concurrent judgments and decrees passed by the learned Courts below are contrary to the law laid down by this Court in the case of Federal Board of Intermediate and Secondary Education Vs. Azam Ali Khan (2017 YLR 906). Learned counsel for the petitioner prayed for the revision petition to be allowed.

4. On the other hand, learned counsel for the respondent submitted that the wrong entry of the respondent's date of birth in the admission form was the result of an inadvertent mistake; that the respondent's correct date of birth i.e. 24.09.1999 has been correctly recorded in Exh.P/3 issued by N.A.D.R.A.; that the birth certificate issued by the respondent's school also mentions 24.09.1999 as his date of birth; and that the concurrent judgments and decrees passed by the learned Courts below do not suffer from any legal infirmity. Learned counsel for the respondent prayed for the revision petition to be dismissed.

5. I have heard the contentions of the learned counsel for the contesting parties and perused the record with their able assistance.

6. The record shows that on 19.04.2016, the respondent (through an attorney) filed a suit for "*declaration and rectification of date of birth in matriculation certificate*" praying for a declaration that his correct date of birth is 24.09.1999. Furthermore, the respondent prayed for a direction to the petitioner to issue a corrected/rectified mark sheet of his matriculation examination showing his date of birth as 24.09.1999. The petitioner contested the said suit by filing a written statement.

After the framing of issues, birth certificate (Exh.P/2) issued by the Principal of the respondent's school/college at Swabi, and certificate (Exh.P/3) for children less than eighteen years of age issued by N.A.D.R.A. on 08.04.2015 were tendered in evidence on behalf of the respondent. The respondent's result card dated 04.07.2015 for the matriculation examination-2015 issued by the petitioner was also produced as Exh.P/4. According to Exh.P/2 and P/3, the respondent's date of birth was 24.09.1999 whereas according to Exh.P/4, his date of birth was 04.01.1998.

7. The petitioner, in its evidence produced Exh.D/1, which is the respondent's admission form for the Secondary School Certificate (Part-II) Examination. The respondent and his father/guardian had signed this form. In this form, the respondent's date of birth is stated to be 04.01.1998. This form also contains an affidavit sworn by the respondent deposing that the particulars in the said form were true and correct. This form was also signed and stamped by the Principal of Army Public College, Malir Cantt. Karachi.

8. Now, the respondent did not dispute the authenticity of Exh.D/1. Learned counsel for the respondent submitted that the wrong entry of the respondent's date of birth in his admission form for the Secondary School Certificate Examination was caused by an inadvertent mistake. In the said admission form (Exh.D/1), the respondent's date of birth was not only filled in figures but in words as well. Therefore, it cannot be said that there was a possibility of an error being committed by the petitioner in recording the respondent's said date of birth in his Secondary School Certificate. Since the admission form (Exh.D/1) was an admitted document, it deserved due weight and credence which has not been given to it by the learned Courts below. The learned Courts below misread the evidence by not appreciating that the admission form (Exh.D/1) had not just been signed by the respondent, but also by his father/guardian and the Principal of Army Public College, Malir Cantt. Karachi. The requirement of an endorsement by the head of the institution is to ensure that the entries made in the admission form are correct and as per the

school record of the respondent. The respondent is, therefore, estopped from taking a position contrary to the one taken by him at the time of submission of the admission form for the Secondary School Certificate Examination.

9. It is also well settled that where there is a disparity in the date of birth entered in the educational testimonials of a person, and the National Identity Card or Birth Certificate, credence is to be given to the entry of the date of birth in the educational testimonials unless there is cogent and convincing evidence to hold otherwise. In the case of Mohammad Arshad Vs. Noor Ahmad (2008 SCMR 713), credence was given by the Hon'ble Supreme Court to the petitioner's date of birth on his matriculation certificate as compared to his date of birth on his Birth Certificate and National Identity Card.

10. Strong evidence of unimpeachable character is required to change the date of birth entered in a person's educational testimonials. Courts have to be vigilant and cautious in granting discretionary relief of declaration or permanent injunction in cases where plaintiffs seek a change in their names or dates of birth.

11. A student and his/her parents have to be very careful, alert and vigilant while disclosing the date of birth at the time of submission of forms for the examination of Secondary School Certificate / Matriculation. The Secondary School Certificate issued by the Board of Intermediate and Secondary Education goes with the life of a student as this certificate is the authenticated proof of the student's date of birth. Such a certificate is invariably accepted as a valuable piece of evidence in proof of the date of birth of the person in question throughout his career, and Courts attach a high degree of probative value to the certificate, and the date of birth as entered in the certificate is accepted as almost binding.

12. A change in the date of birth recorded in matriculation certificate issued by the Board is a serious matter because it involves many consequences and particularly affects the date of retirement etc. In such cases, a Court needs to scrutinize the

evidence carefully and interference should be made sparingly and with circumspection. The approach of a Court has to be cautious and not casual.

13. In the case of Saima Iltaf Vs. Principal, Junior Burn Hall Girls College, Abbotabad (2001 CLC 972), it was held that in order to substantiate the contents of a birth certificate, the relevant register where the date of birth is entered has to be produced. In the case at hand, the respondent's birth certificate was not issued either by the relevant Union Council or by N.A.D.R.A. or its predecessor institution. This is a material lapse in the respondent's case which has not been noticed by the learned Courts below.

14. The reliance by the learned Courts below on the certificate for children whose age is less than eighteen years issued by N.A.D.R.A. on 08.04.2015 was also erroneous and in this regard, the law laid down by this Court in the case of Federal Board of Intermediate and Secondary Education Vs Azam Ali Khan (2017 YLR 906), wherein it has been held that when a birth certificate is not issued in a reasonable time after birth, the entry of the date of birth in such a birth certificate has to be corroborated by producing in evidence the register of births showing the correct date of birth of the person in question.

15. By not requiring the respondent to produce the register of births maintained by the relevant Union Council or authority so as to prove that the date of birth entered in the respondent's birth certificate was correct, the learned Civil Court went against the law laid down by this Court. In the unreported judgment dated 29.06.2015, passed by this Court in Civil Revision No.170/2015, titled "*Syeda Razia Bukhari Vs. Federal Board of Intermediate and Secondary Education, Islamabad*", this Court upheld the concurrent judgments passed by the learned Courts below, whereby, the petitioner's suit seeking a change in her date of birth entered in her matriculation certificate, was dismissed. This Court did not give credence to the date of birth entered in a birth certificate, which was issued years after the petitioner's alleged

date of birth. In paragraph 04 of the said judgment it has been, *inter-alia*, held as follows:-

"4. ... The birth certificate has been tendered in evidence in original which shows the date of reporting the birth of the child is 19.03.2009, however, the register of Union Council or any other documents was not exhibited in evidence to show that the correct date of birth is 05.02.1988. ..."

Furthermore, in another unreported judgment dated 27.01.2015, passed in Civil Revision No.538-D/2002 titled "Federal Board Vs. Mustafa Nawaz", this Court held as follows:-

"14. ... Moreover, in order to prove the contents of crucial document i.e. birth certificate Ex.P1, it was mandatory to produce and get examined birth register of the concerned union council pertaining to the year 1976-77 for ascertaining correctness and genuineness of the documents, but no such effort was made. There is also no explanation as to why birth certificate was got issued with a delay of more than eighteen years on 2.2.1995."

16. I am of the view that the learned Courts below have misread the evidence on the record and have not given credence to the law laid down by the Superior Courts especially the judgment referred to herein above. Therefore, the instant revision petition is allowed; the concurrent judgments and decrees dated 17.01.2017 and 29.04.2017, passed by the learned Courts below are set-aside, and consequently, the respondent's suit for declaration and rectification of the date of birth in his matriculation certificate, is dismissed. There shall be no order as to costs.
