W.P No.4390/2015

23.05.2022

Barrister Farrukh Jawad Panni, Advocate for the petitioner.
Mr. Muhammad Khalid Zaman, Advocate for the respondents.

During the course of arguments, it appears that the subject-matter of the petition relates to whether or not the assets and liabilities of Pakistan Cement Company Limited have become the assets and liabilities of the petitioner overriding the need to follow the additional procedures to have utility connections in the name of Pakistan Cement Company Limited transferred to the petitioner.

2. The learned counsel for the petitioner submits that the issue of consequences after amalgamation of Pakistan Cement Company Limited and petitioner has come to this Court twice in W.P No. 1274/2019 and W.P No. 3862/2020, which were decided by the Hon'ble Chief Justice of this Court. And both times the matter was remanded back to NEPRA for decision afresh. He states that the latest decision was also rendered against the petitioner, which has been impugned through

W.P No. 759/2022, which is pending before the Hon'ble Chief Justice. It appears that the subject-matter of the instant petition overlaps the subject-matter of W.P No. 759/2022 and it would be in the interest of justice that both the petitions be heard by the same Bench.

3. Let the office place this file before the Hon'ble Chief Justice for appropriate orders.
