At the very outset, learned counsel for the petitioners pointed out that notification dated 30.09.2015 which was assailed in the instant petition as well as connected petitions was rescinded on 21.06.2018. It was contended that while admitting the petition, this Court was pleased to pass an injunctive order with respect to the Sales Tax about over and above 17 percent. Learned counsel for the petitioners contended that since the referred 3 percent increase is to be refunded to the petitioners, hence in light of the developments that have taken place no demand should be made. It was also contended that claim for refund of the petitioner is also pending with the department in certain cases. When
